

# ISO 9002 Quality Certification For EnDyn

## ANNOUNCEMENT

We are proud to announce that **EnDyn** has passed a recent comprehensive audit for ISO Certification conducted by The Registrar Company (TRC), Inc. ANSI/RAB accredited registrar. **EnDyn** has been ISO 9002 registered company since June 17, 1994 as evidence by Certificate Number TRC-4.

## QUALITY POLICY

The purpose of **EnDyn's** Quality Policy is to achieve and maintain a standard of quality throughout the organization that will ensure product conformance to customer specifications.

All quality procedures, policies and activities are mandatory for all employees with **EnDyn**.

We maintain a quality system which continually reviews its operation with the aim of eliminating all product non-conformity as well as improving the quality, products, services, costs and the relationships with our customers and suppliers.

The principles of corrective and preventive action which prevents the occurrence and recurrence of problems is incorporated within the quality system.

Our Quality Policy is incorporated into the training and indoctrination program for all employees, highlighting implications on work activities. **EnDyn** is committed to the continuous training and review of employees to ensure all aspects of their work activities meet our Quality Policy.

## PRODUCTS

**PowerParts®** and Service for **SUPERIOR - AJAX** engines and compressors are synonymous with Quality.
