

For quality parts, service and technical support for Superior® and Ajax® engines and compressors...

Nobody responds faster!

EnDyn manufactures PowerParts® for Superior and Ajax® engines and compressors supported by engineering, technical services, and technical training world-wide. Results from a recent independent international survey, clearly show EnDyn is the **No. 1 choice** for:

- Quality engine and compressor parts
- Deep inventory for immediate delivery
- Fast response to inquiries, quotes and delivery
- Training and technical support
- Responsiveness to customer service problems
- Industry "best" 2 year warranty

PowerParts® are available throughout the United States, Canada, South America, Europe, Middle East, Far East, Africa and Australia directly to the end user or through strategically located distributors and representative agencies.

The global resource to the energy industry.
